

Dear FCC,

I would like to comment on the need for K-LOVE Radio Station in our community. K-Love is a positive influence on our family. They provide commercial-free positive Christian music that cannot be found on any other station I know of. If K-Love were displaced by an LPFM broadcaster, it would deeply affect our community in a negative way.

Considering the content of music and commercials of most stations today, removing family-friendly, Christian, positive radio stations like K-Love would not be in the public's best interest.

Sincerely yours,

Vallie Rose
